The first batch of tickets for the JN-Racers Grand Prix will go on sale this Monday the 1st of May. During the month of May, tickets will be available only online at <http://mysticonlinetix.com> or <http://racersgrandprix.com>.

The JN-Racers Grand Prix is an international track and field athletics meeting featuring many of the world's greatest athletic stars. This year it will be held on Saturday June 10 and will salute the legend Usain Bolt before he retires from the track. Bolt will run his last competitive race in Jamaica at the JN-Racers Grand Prix at the National Stadium – the same venue where he broke through to international fame by becoming World Junior Champion in the 200 metres at age 15 in 2002.
